Merit filed a complaint against ONEOK at the KCC. Docket #16-CONS-564-CINV.

If you enter this docket # into the KCC website, you can see the complaint and the public documents that have been filed including the rate offered:

I met with Steve Dillard and Ken White last week and I believe Ken White (White Exploration) is going to file complaints against ONEOK and DCP at the KCC.

I'm on the web (exciting, I know) you can go to jcbcompanies.com and get to the gas contracts issues page. My first effort is a timeline of this situation. This is incomplete and may well have mistakes and that is where YOU come in. Please send me your corrections, clarifications, info, and suggestions. I am trying to figure out the forum and we will get that going soon as well.

Please send me stuff you may have from presentations from meetings, etc. Also, I have some interesting actual gas contract info that I will share-just ask.

I sent in two informal protests to the RRC last week (one for JCB II and one as an interest owner with Questa) I need more info from Ok and Kansas.
